Overview:Magnificent townhouse with a jacuzzi and sea views. The house has a very wide entrance where you can park your car under cover, and another area where you can comfortably welcome your guests and chat. It is spread over 3 floors. On the first floor you will find a guest toilet with a built-in wardrobe beside it and a good, fully equipped kitchen where you can prepare your best dishes. Then comes a large, bright living room with access to the back patio, a patio you can decorate as if it were a garden, put a pool in and/or simply enjoy as a chill-out area. On the first floor of the house you will find the 3 bedrooms: the main one has an en-suite bathroom and a terrace with good views of the sea and the town, the second looks out over the urbanisation and has a bathroom next to it, and there is also a third bedroom. On the top level there is another small room that you can use as a study, office, home office or place to relax, and a terrace with stunning sea views. The house has very good quality finishes and has been extensively renovated. It also has a large basement that you can use as a cinema room, music studio, bedroom or play area. It is in a very quiet urbanisation with little noise, a few minutes' walk from the beach, in an area with supermarkets, restaurants and shops, and with public ■transport ■nearby. ■An ■ideal area ■for ■couples, ■families ■or people ■living ■alone, which ■makes this an ■ideal place ■to live ■and to enjoy ■the ■many ■possibilities ■the ■house ■offers.
