Overview:Five-bedroom semi-detached house in a gated complex in Las Lomas, in the El Padrón area, west of Estepona. The property is laid out over three levels and offers five bedrooms, three full bathrooms and a guest WC — an unusual amount of space in this price bracket. The living and dining room, with a fireplace and access to the terrace, opens onto a separate dining area with large windows overlooking the garden; the kitchen is fully fitted and has a breakfast area. All bedrooms are exterior, spread between the first floor and the top floor, with fitted wardrobes and bathrooms on every level. The complex is gated and well kept: generous tropical gardens with palm trees, lawned areas and two communal pools with sun terraces. The house also has parking and a storage room, and its south-facing orientation means sunlight throughout the day. The location is one of its strongest points: immediate access to the A-7 motorway, shops and leisure a few minutes away, and the beach ■a ■fifteen-minute ■walk. A ■property in ■good ■condition, ■ideal ■for a ■large ■family or ■as an investment ■with room ■to grow, ■in one of ■the ■quietest ■residential ■areas ■of ■Estepona.
