Overview: This plot of land is situated in a good area of Alhaurin el Grande. It has not been used for any form of agriculture during a large number of years and therefore also suitable for bio culture, keeping animals, growing vegetables or fruits. The plot consists of 2 pieces, in the middle is a small road. One plot is 5.178 m² and the other plot is 1.846 m². Most likely it is allowed to build between 20 and 50 m². One plot is totally fenced, the other plot is open. There is irrigation water and electricity available. It is possible to get also drinking water, but is not there yet. The plot is good reachable, Partly via concrete road and partially dirt road. Ideal for people who want to extend their agriculture business and make a little chalet on it.
