Overview:MONTHLY RENTAL FROM FEBRUARY TO MARCH: MONTH + ELECTRICITY + FINAL CLEANING. MINIMUM STAY OF ONE MONTH. WE DO NOT DO ANNUAL RENTALS Welcome to the Urbanization Parque Botanico Resort & Country Club in Benahavis, Malaga! This is a dream urbanization for those looking to spend a vacation in one of the most exclusive places on the Costa del Sol. Located in the hills of Benahavís, this urbanization offers an oasis of tranquility and comfort; with all kinds of services at your fingertips, without the need, even, of having to leave an enclosure: from 2 outdoor pools to 2 indoor pools, one heated and another swimming pool, a gym, a sauna, an extensive garden, with a beautiful lake, and even a beach bar, or a squash court, among other services. But, as if all the above were not enough, its location, being this, nothing more and nothing less, than Benahavís, will be another of the great pluses that will make your stay a wonderful experience. If you are a nature lover, you are without any doubt, in the right place and we are facing an idyllic setting surrounded by beautiful gardens, lush vegetation and mountains. The proximity to beaches of golden sand and crystal clear water are just one of the many advantages of the area; beaches that, for sure, will not disappoint you. We are talking about, for example, the beautiful and very touristic Guadalmanza Beach, as well as Castor Beach or Padrón Beach, located 10 minutes away by car, or Villacana Sun Beach, Saladillo Beach, Arroyo de las Cañas Beach or Punta Plata Beach, less than 15 minutes away, also by car. What do you like sports? Well, after a relaxing swim in these dream beaches you can enjoy a round of golf at courses such as La Resina Golf & Country Club, just 7 minutes away by car, the Marbella club golf resort, the Tramores Golf, the Atalaya Golf & Country Club, or the Villa Padierna Golf Aacademy, among many others, all of them at a distance of about 20 minutes, approximately, from the property. Football? Have a game at the 7-a-side soccer field "C/Bahamas", 15 minutes away. Or, if what you want is to enjoy hiking or running make a visit to idyllic environments such as the Donata Mountain Water or the Ocean Hills walk. Finally, as far as location is concerned, we would like to recommend restaurants, where you can delight your palate with the most typical Mediterranean food, such as Venta El Perejil, less than 10 minutes away by car, Parilla Garua, Restaurante Asador Guadalmina, Restaurante El Cotijo de Ramiro, or Restaurante La Escollera, between 15 and 20 minutes away. As well as cafes, such as Mundo Marina or Bossa Estepona, and beach bars, such as Sonora Beach, Restaurant Tikitano by Besaya where you can have a good coffee or a cocktail for dessert. Now, it is not only the location that will make you fall in love with this room, because for sure you will also fall in love with its beautiful living room, bedroom, bathroom, kitchen and, of course, its spectacular private terrace, all spread over a comfortable size of 52 m². In addition to, of course, its ideal urbanization, which we will talk a little more about in the following paragraphs. The spacious and bright living room, which has a smart TV, a nice sofa, a fireplace and a dining table, connects directly to the private terrace of the property, which can also be accessed from the bedroom and from the kitchen. On this terrace you will find another dining table, in this case round and designed for 4 people, as well as a chill-out area, as well as beautiful panoramic views of the communal garden with lake, the urbanization and the mountain of La Concha de Marbella. The kitchen, being this room the first room you will see as soon as you enter the house, is fully equipped with appliances, including refrigerator, oven, microwave, ceramic hob, dishwasher, washing machine, dryer, toaster and coffee maker; and a basic kitchenware to make you feel that you lack absolutely nothing. Finally there is the bedroom, which is tastefully decorated, offering a comfortable double bed, fitted closets and high quality bed linen and towels. In addition, this one has excellent natural light, since, as we have told you before, it has a direct access to the terrace of the house. And, inside the same, you will also find a nice bathroom, en suite and built in a white marble that gives a great touch of quality, which has a shower, sink, toilet and clean towels. As for the urbanization, Parque Botanico is a gated residential community that has community services of all kinds, from 3 swimming pools, two outdoor pools, one of them being a jacuzzi, and another indoor, the latter open in winter; a pool bar, in the outdoor pools; a gym; a sauna; a garden, with a lake; an outdoor court, to play soccer and basketball; a tennis court also outdoor; a squash court; a playground, if you come with children, and a library. Other extras to mention would be the wifi and air conditioners, independent, in the main areas of the house, as well as a parking space for you to park your vehicle, without any problem, if you come back from any of the places we have recommended in this description or from Marbella or Puerto Banus, which are 30 and 20 minutes away by car, respectively. In short, if you are looking for a place to rent an apartment on the Costa del Sol, the Urbanization Parque Botanico Resort & Country Club in Benahavis is the perfect choice. Enjoy natural beauty, first class facilities and a privileged location that will make your stay an unforgettable experience, we are waiting for you with open arms!
