It includes a private parking unit in the underground garage below. Also an option to buy a storage room (trastero). Entrance Hall Inviting Space: As you step through the front door, you are welcomed by a spacious entrance that seamlessly connects to the main living areas of the apartment. This elegant space sets the tone for the rest of the home. Living and Dining Area Open-Plan Layout: Moving from the entrance, you enter a large open-plan living and dining area, perfect for entertaining guests or enjoying cosy family evenings. Natural Light: The reception area is bathed in natural light, thanks to the large sliding glass doors that lead out to the extensive south-facing terrace. The terrace overlooks garden and you can see the first swimming pool in the background. Very quiet location in the urbanizacion. Majestic Terrace Expansive Outdoor Space: Step through the sliding glass bay windows from the living room onto the expansive south-facing covered terrace. Garden and Pool Views: Enjoy al fresco dining, relax with a book, or simply take in the views of the beautifully landscaped communal gardens and one of the three swimming pools. Ample Seating: The terrace offers ample seating and dining area. Modern Kitchen Fully Equipped: The separate kitchen is fully equipped with all necessary appliances. Convenient Layout: Features a breakfast bar and an independent laundry room adjacent to the kitchen for additional storage and functionality. Master Bedroom Generously Sized: The master bedroom is spacious with marble floors and includes direct access to the terrace. Luxurious Ensuite: Features a large built-in wardrobe and an ensuite bathroom with double sinks, a bathtub, and underfloor heating for added comfort. Second Bedroom and Bathroom Spacious and Functional: The second bedroom is also large, with marble floors, equipped with double built-in wardrobes. Additional Features Climate Control: The apartment is equipped with hot and cold air conditioning units in each room (3 in total one for living room, and one for each bedroom), ensuring year-round comfort (better and more economical than expensive AC by conduct originally fitted). These ACs offer very good energy ratings and you can control how you want to cool/heat each room. Lift to the first floor where the apartment is. Storage and Parking: Includes a parking space in the underground garage below (few apartments for sale in campanario offer this) and a separate storeroom (trastero). Amenities: Access to three communal swimming pools, beautifully landscaped gardens with waterfalls and lakes, and the Country Club featuring a gym and a restaurant. Prime Location Convenient Amenities: Walking distance to local amenities, including supermarkets, restaurants, and the fabulous El Campanario 9-hole golf club. Proximity to Beaches: The nearest beach is only a 5-minute drive away, and the apartment is closer to Puerto Banus than Estepona centre. Summary This stunning first-floor apartment combines luxury, convenience, and a prime location. It is perfect for those seeking a high-end lifestyle. Don't miss the opportunity to make this exceptional apartment your new home!
