Overview: Beautiful semi-detached house located on the outskirts of Alhaurin el Grande with private pool and independent apartment. The plot is 428m² with a private garage with a total built area of ■■269m². The house is distributed on the ground floor with a living room with fireplace, fitted kitchen and dining room from where you can access a cozy summer room that gives access to the terrace and the pool area. On the upper floor there are two double bedrooms, two bathrooms, terrace and a third bedroom currently converted into a dressing room. And from this floor you go up to a top floor with an attic room, storage area and a lovely terrace with great views of the valley. In the basement there is a laundry room, cinema and a charming apartment with one bedroom, living room and bathroom ideal for guests or to rent it out. A visit is highly recommended.
