Overview: Interesting residential plots (6 of 700m²) which can be purchased separate or as a pack. The plots have the building license in place. The plots are in Alqueria, on walking distance (350 meters) to two restaurants and a school. Distance to golf course only 5 minutes by car. Buildable surface is 35%. The plots are on a small community of 8, with 2 houses already build (those are not for sale), and 3 villas that need to be finished. Plot price € 160,000 (the plots without the unfinished buildings) There are also three unfinished buildings for sale. Two-level villa: € 310,000 / 2 x One level villa: € 270,000 The displayed prices include the installation of the infrastructure (water, electricity, and sewage) of € 35,000 per house/plot.

Features:

Pool
