Overview: Wonderful and unique opportunity to become the owner of two properties on one plot of land in the area of Alhaurín el Grande. The 6.630m<sup>2</sup> plot offers two Andalusian style villas. Entering the driveway you will find the first villa which is 377m<sup>2</sup> built on two levels. The villa consists of a good size living/dining area, an open plan kitchen, four bedrooms, three bathrooms and a garage. There are various lovely sitting areas under the covered terraces surrounded with tropical plants. On the roof terrace you can enjoy panoramic views to the surrounding countryside and the private swimming pool. The second villa is 177m<sup>2</sup> and built on one level, so it is easy accessible. The property offers a cosy living/dining area with a fire place, a good size kitchen, four bedrooms and two bathrooms. There is plenty of land with currently avocado trees, olive and citrus trees. There is also enough space for keeping some animals. The property is easy accessible, near public transportation and the village with all amenities is around the corner. Malaga town and airport and Fuengirola beach are only a 30 minutes drive away. If you are dreaming of living inland Andalusia, not far from the Malaga airport and the sea, this is a golden opportunity!
