In addition, it has its own private tennis court. On the ground floor we can also find the fantastic private saltwater pool with ample outdoor space for sunbathing. The area where the pool is located also has a brick barbecue and a large porch that is great for organising parties or perhaps to invite friends or family to a lovely meal in the summer months. On the ground floor we also find access to the storage room and a private sauna with WC for the use of the pool area. Accessing the interior, the fully air-conditioned villa has two large bedrooms with king size beds that share a beautiful bathroom with shower and bathtub. The main room offers a super king size bed, access to a small private terrace and an area with study utility. In addition, it has a huge en-suite bathroom with shower, bathtub, separate toilet and a huge sink. The fourth bedroom has two single beds. The kitchen is fully equipped with all kinds of quality appliances and a dining table with room for four people, in addition to an outdoor dining area on the terrace that also has a full laundry room.
