Welcome to a truly exceptional penthouse where style, comfort, and nature come together in perfect harmony. Nestled in a peaceful, green gated community with a large pool and lush communal areas, this home offers a lifestyle that blends the feel of a resort with everyday convenience, all year round. As you step inside, you are greeted by an open, light-filled space where the living room and terrace flow seamlessly together, thanks to bespoke floor-to-ceiling windows from Cortizo. From here, enjoy breathtaking panoramic views of the Mediterranean Sea accompanied by the peaceful sound of birdsong. The apartment underwent a complete renovation in 2025, with everything brand new, including electrical systems, plumbing, kitchen, bathrooms, flooring, and windows. The interior has been designed to a high standard throughout, featuring a sleek kitchen with Bosch appliances, 80x80 stone flooring, built-in wardrobes, and air conditioning for both cooling and heating in every room, ensuring year-round comfort. The property is part of the well-known Wyndham Resort, a secure and family-friendly environment offering fantastic on-site amenities such as a kids club, several restaurants, and a minimarket. Just 250 meters away lies a beautiful sandy beach, and in under 10 minutes you can walk to Fuengirolas famous 8 km seafront promenade. A private underground garage space and storage room are included, with direct elevator access to your floor, comfortable and practical. This is the ideal home for anyone looking for a stylish coastal retreat with excellent rental potential, where every day begins with stunning views, serenity, and a prime location by the sea.
