**Overview:** This amazing penthouse is located at a top Marbella location in Altos de Marbella, Los Monteros. From its elevated position, one enjoys amazing views of the Mediterranean coastline including Marbella, Puerto Banus, plus Africa and Gibraltar on a clear day. This is much larger than average property, all on one level, with amazing views from every window. The complex has three swimming pools and communal gardens. This penthouse apartment has two private garage spaces included in the price and two large terraces, one at each end of the apartment. This is a real penthouse that enjoys the whole top floor of this block. We strongly recommend a viewing, and we have the keys in our office, so viewings should be available 7 days a week.
