September 2025

Overview:Single-story home. It has 109 m² of built area and a 100 m² outdoor patio, with a garage. Fully furnished kitchen, appliances such as a refrigerator, washing machine, gas stove, and hot water heater. The house is a self-contained unit with neighbors to the right and left, and only nature in front and behind. Offering privacy and sun throughout the day, as the patio, garage, kitchen, living-dining room, and bathroom face southeast. The rest of the house faces northwest. The town center is just 500 meters away, where you will find cafes and outdoor terraces, shops, a kindergarten, a playground, a school, paddle tennis courts, and trails, some of which include: Pinar del Tábano, Martagina, Lago de Pajaritos, Alcorrín, among others. Although located in Secadero, just 15 minutes from the popular Sotogrande residential area, it belongs to Manilva

Features:

Air conditioning, Mountain views, None, Parking
