Overview: Imagine waking up every morning with soft sunlight streaming through your windows. You draw back the curtains, and there it is: your private terrace, your calm little corner in the heart of Málaga. Coffee in hand, the city stirs beneath your feet—and you're home. This apartment on Calle San Millán isn't just a place to live—it's the beginning of something beautiful. Located in the vibrant El Ejido neighborhood, on the third floor with an elevator and east-facing orientation, this home is bathed in natural light from the early hours. The spacious living room (over 20 m²) welcomes you with warmth and possibility—perfect for dinners with friends, cozy movie nights, or simply relaxing in peace. Step outside to the terrace, your own slice of urban serenity where time seems to slow down. Everything has been carefully updated: a modern, fully equipped kitchen made for real living; a sleek, fresh bathroom with high-quality finishes; and three bedrooms, each with its own charm, all designed for comfort and quiet. Even the flooring, the light, the details—all speak of a place that's been truly cared for. Just bring your suitcase—you won't need to change a thing. The area is the cherry on top: supermarkets, shops, schools, medical centers, and public transport are just steps away. In only ten minutes, you're at the beach or exploring Málaga's historic center. It's the best of both worlds—urban convenience with the comfort of home. This isn't just an apartment—it's a new lifestyle. A place where you can finally breathe, relax, and feel that you've found the one. Are you ready to fall in love?
