Overview: Detached villa located in the Monte Dorado residential area, on a 533 m² plot. Facing southwest, the property offers magnificent views from the patio-garden towards the bay of Málaga, the mountains, and the sea. The house is distributed over two levels. On the upper floor, with an area of 156 m², there is an entrance hall, a spacious living-dining area with a fireplace, a large kitchen with a laundry area and direct access to a 96 m² patio, as well as a living-dining room with access to an 18 m² terrace. Through a hallway with large built-in wardrobes, you reach three bedrooms and two full bathrooms, one of them with a dressing room. The patio-garden, with an approximate area of 350 m², is ideal for enjoying outdoor spaces. The lower floor, with an area of 180 m², is unfinished and has independent access, offering the possibility of being adapted as a second dwelling or as a complementary area according to the owner's needs. The property is located in a quiet area surrounded by nature, yet close to the city and all services and amenities: supermarkets are just 1.5 km away, and the Fuenteolletas and Cristo de la Epidemia areas are only five minutes away by car. This is an ideal property both for use as a main residence and for obtaining additional income by renting out the dwelling that can be built on the lower floor.
