Overview: This attractive three bedroom house is located in a frontline golf position while still being walking distance to the beach. The house has three real bedrooms on the upper level and two bathrooms plus a guest toilet. Many owners have even added an extra bedroom and bathroom in the basement/garage while this owner has chosen to keep the garage and storage space. The owner has improved the property with an amazing modern kitchen, false ceilings with spot lights, giving the property a modern feel. With two nice terraces on the lower level and also a roof terrace, one has plenty of outdoor space to really allow one to enjoy the Spanish climate. The complex is gated with two swimming pools.
