Overview:Fascinating penthouse with 3 bedrooms, 3 bathrooms (all en suite) and 3 terraces, all with sea views! On clear days, you can enjoy fantastic views of Gibraltar and the African coast. Just a few minutes walk from the beautiful beaches of Casares Costa, located between Estepona and Manilva, you will find your personal oasis in the Mediterranean. The penthouse is located on a hill with unobstructed sea views. In the garden, there is a beautiful pool area right in front of the house. You decide whether you want to enjoy this property or rent it out for additional income. A rental license registered in the property registry guarantees you the necessary freedom. To date, the property has not been rented, as the owners have used it exclusively for themselves. The entire complex, including the penthouse, is very well maintained and has been recently renovated. An important detail worth mentioning: Although this apartment is located near the A7 on the coast, the road is neither disturbing nor visible. Its location on top of a hill and the front gardens act as a natural acoustic insulation. An unparalleled advantage: you can fall asleep to the gentle sound of the waves!
