At the entrance level there is a good size living room, sunny south-west facing terrace overlooking community gardens & swimming pools (no road noise); fully fitted kitchen, utility room, two guest bedrooms, family bathroom and master bedroom with en-suite bathroom. This south-west orientated sunny property comes with underfloor heating on the main floor, A/C hot & cold, blinds in bedrooms, parking space & storage room in underground garage. The community features a communal pool and well-maintained gardens within a peaceful residential setting. Please note that new short-term rental licences are not permitted in San Pedro del Mar. This stunning Penthouse is ready to move in but would also be a great renovation project as this size & layout properties are rare to find. Keys in office.
