Following the internal stairs to the second floor, you have a storage room, a fully equipped bathroom to share between the 2 bedrooms (with built-in wardrobes) and at the end of the corridor you will find the master bedroom with a walk-in closet and a huge bathroom with a separate shower and jacuzzi bath. Both bathrooms on this level have skylights and all three bedrooms lead out onto another large terrace with great views over the urbanisation, mountains, Coin and you will see the amazing sunsets. From this terrace you can take the external stairs onto the roof of the villa. Here you can, for example, put solar panels or make another terrace. The house has its LPO and there is extension allowed for another 40 m² to make the property larger if required. The garden is low maintenance and you can walk around the house.
