Overview: La Paloma Premium View Collection | 3 Elevated Villa Plots for Higher-End Development This is the stronger premium play within La Paloma: a higher-positioned 3-plot collection suited to a more ambitious final product. It offers the scale, coherence and residential logic that serious developers look for when the goal is not just to build, but to create villas with stronger pricing power and a cleaner market profile. The setting remains quiet, established and naturally residential, while the collection itself allows a more refined premium narrative from day one. An additional corner reserve parcel may also be available within a broader acquisition discussion.
