Overview: Rare Opportunity: Renovated Semi-Detached House with Large Private Plot & Beach Just 2 Minutes' Walk – Saladillo Benamara, Estepona A truly uncommon opportunity to acquire a recently renovated home just steps from the sea in one of Estepona's most established and peaceful residential areas. Located on a quiet cul-de-sac in Saladillo Benamara, this semi-detached house feels more like a private villa than a conventional townhouse. The setting is tranquil, with a friendly community and everything you need within easy reach — including the beach, only a 2-minute walk away. Set on a generous 300 m² plot, the property offers exceptional outdoor space. It features multiple terraces: a covered front terrace that seamlessly integrates with the living room, and a rear garden with plenty of room to add a small pool if desired. Designed to make the most of outdoor living, whether for relaxation or entertaining. Inside, the home is bright, simple and welcoming. The open-plan living-dining room is comfortable and cosy, with a pellet stove for warmth in winter. Recently installed double-glazed sliding doors and windows help maintain pleasant temperatures year-round and reduce external noise. The open-concept kitchen offers good storage and work space, plus a separate utility room for added practicality.
