Overview: Building plot of 200m² in Las Lagunas de Mijas, in a commercial area and very close to all amenities, shops, and schools. Easy access to the A7 motorway in both directions, as well as public transport. Possibility of building a ground floor plus two more floors and a penthouse with a setback. This is an excellent investment opportunity in the heart of the commercial area (behind El Corte Inglés department store). The plot consists of three registered plots, possibility of purchasing separately.

Features:
