This charming country villa was originally built to an exacting standard for the sole owner, a British architect and his family to enjoy. Situated within a private enclave of just four villas', you can be assured of total peace, quiet and security. We believe the villa delivers a desirable mix of being accessible and highly usable. It is both traditional and has the potential to be contemporary, offers the true indoor-outdoor living experience and coupled with the landscaped and mature gardens, you truly can have it all. The main property, a three-bedroom villa is distributed over a single floor and provides straightforward access to the living areas, kitchen, bedrooms, bathrooms and external terraces. At the rear of the property, overlooking and enjoying the sea and mountain views are the large swimming pool and sunbathing terraces. Access to the private and good sized, one-bedroom apartment is from the sun terrace or entrance driveway. The villa is well placed for Alhaurín El Grande, Mijas, La Cala, Fuengirola, Malaga Airport, Marbella and beyond. There are endless beaches and numerous golf courses within 15 mins or less and the pièce de resistance of the area, the extensive and wide variety of high-quality restaurants in the local vicinity. We recommend that potential buyers looking for such a property to act swiftly.
