Overview: Exclusive opportunity in Urb. Doña Sofía, one of Fuengirola's most established and in-demand beachside urbanizations, where properties rarely come on the market. This bright second-floor apartment offers 119 m² built (101 m² interior + 18 m² terrace) with a desirable South West orientation, enjoying open park views and partial sea views — all while being peacefully positioned away from beachfront noise. The property features a spacious layout, originally designed as a 3-bedroom and currently configured as a generous 2-bedroom, with the possibility to easily reconfigure back if desired. The large terrace, accessible from both the living room and bedrooms, has been recently updated together with the façade, offering a perfect outdoor space to enjoy the sun and Mediterranean lifestyle. The apartment is in very good, well-maintained condition, ready to move in, with excellent potential to modernize and add value.
