Overview: Penthouse | South Beach, Higuerón Resort A rare opportunity to acquire an exceptional penthouse in one of the Costa del Sol's most prestigious addresses. From the moment you enter, this home makes a lasting impression — soaring ceilings in the main living area, integrated LED lighting, and large windows that flood every room with natural light, creating a sense of space and luxury that is immediately apparent. The open-plan kitchen and living area is both stylish and highly functional, fitted with quality appliances and a separate utility room. The master bedroom is generously proportioned and benefits from a private en-suite bathroom, while the second bedroom is well-appointed, served by a further bathroom. Throughout the apartment, a fully integrated aerothermal heating and cooling system ensures year-round comfort with outstanding energy efficiency. The defining feature of this penthouse is its extraordinary 172m² wraparound terrace — almost certainly one of the largest private outdoor spaces in the entire complex, and a true rarity within Higuerón Resort. Accessible directly from all bedrooms and the main living area, the terrace enjoys a south-westerly aspect, bathing it in sunshine throughout the day until late. It has been thoughtfully arranged as a genuine outdoor living environment, with a private jacuzzi, dedicated lounge seating, a BBQ area, and sun loungers, all set against views of the sea and mountains. The property is set within a meticulously landscaped development of tropical gardens, mature palms, and lagoon-style swimming pool — an environment designed entirely around relaxation and tranquillity. Two underground parking spaces and a private storage unit are included. Higuerón Resort commands a position unlike any other on the Costa del Sol — a prestigious, 24-hour secured community offering a truly resort lifestyle on the doorstep. Just a short walk away, the acclaimed Higuerón Sport Club provides access to a state-of-the-art gym, spa, tennis and paddle courts, and both indoor and outdoor swimming pools — a world-class facility that further enhances the lifestyle on offer. On-site dining options are equally impressive, including a Michelin-starred restaurant, alongside a selection of further restaurants and cafés within the resort. The five-star Hilton hotel, situated within the complex, adds another dimension entirely — with a stunning infinity pool and bar overlooking the Mediterranean, perfect for sundowners with uninterrupted sea views. A complimentary shuttle service connects residents to the beach and to the commercial centre at the top of the resort, making day-to-day life as effortless as it is enjoyable. Direct motorway connections and easy access to Málaga airport complete the picture, placing everything within reach while keeping the sense of a private, peaceful retreat firmly intact.
