Printing day : 5th September
2026

Overview: Located in one of the most sought-after residential areas of Málaga, Puerto de la Torre, this spectacular semi-detached house offers 403 m² built. A property distinguished by its generous proportions, versatile layout, and outstanding value for money. The main floor features a spacious and bright living room, a fully equipped independent kitchen with direct access to the outdoor area, and a guest toilet, creating a comfortable and functional living space. The upper floor is dedicated to the sleeping area, consisting of three bedrooms and a full bathroom, with the master bedroom benefiting from a large walk-in wardrobe that enhances both comfort and storage capacity. One of the property's most remarkable features is its impressive basement level of approximately 220 m², with ceilings reaching nearly 6 metres in height—an exceptionally rare characteristic in the market. This expansive area currently accommodates a gym, office, leisure and entertainment spaces, laundry room, full bathroom, and a maintenance room, while offering exceptional flexibility to be reconfigured as additional bedrooms, a workspace, a studio, or any other bespoke use. Completing the property is an inviting outdoor area with a barbecue space ideal for social gatherings, along with a private garage with capacity for three vehicles. Its strategic location, with a bus stop ■virtually ■at ■the ■door and ■excellent ■access ■to ■all essential ■services, ■further enhances ■its appeal, making ■it a ■rare opportunity ■in Málaga due ■to ■its ■scale, ■layout, ■and ■potential.
