Overview:Fantastic Renovation Opportunity with Beautiful Views in Los Arqueros, Benahavís A fantastic opportunity to acquire a spacious two-bedroom apartment in the established gated community of Los Arqueros, Benahavís, offering excellent renovation potential and beautiful open views towards the mountains and the Mediterranean Sea. The apartment is east-facing, enjoying lovely morning sun and pleasant natural light throughout the first part of the day. The spacious living and dining area opens directly onto a generous private terrace, with both covered and open areas, creating an ideal setting for breakfast, outdoor dining or simply relaxing while enjoying the peaceful surroundings and views. The property features two bedrooms and two bathrooms. Both bedrooms have direct access to the terrace, as does the living area, creating a wonderful connection between the indoor and outdoor spaces. The apartment also offers excellent storage, including a private storage room in the garage area as well as additional storage within the property. There is no private parking space in the garage, however residents benefit from convenient parking within the gated community. Please note that the building does not have a lift and the apartment is accessed via a flight of steps from the community parking area.
